Golf Shop Operating Hours Information

In an effort to control costs and to deal with a decrease in budgeted labor, the Golf Shop will enact the following changes:

- The Golf Shop "Sales Room" will be closing earlier each day throughout the season, but the "Bag Room" will continue to remain open (weather permitting) to service the members as they exit the course.
- During periods of inclement weather, it may be necessary to close the Golf Shop "Sales Room and Bag Room". Whenever possible, a notice will be posted on the ERCC Blog indicating the closing or an e-mail will be sent to the membership announcing the early closing. When inclement weather threatens, members without computer access are encouraged to call ahead for the Golf Shop closing schedule.
