Laser Rangefinders can now be used at Ellington Ridge

- The Golf Shop is now selling LaserLink laser rangefinders, with three models to choose from.
- Compared to a SkyCaddie, a laser rangefinder:
 - Works on *any* course
 - Requires no daily recharging
 - Requires no subscription
 - Provides the *exact* distance to the flag or other target.
- Reflectors have been installed on each flagstick to get quick yardage readings

Golf Shop Hours in July

- The Golf Shop will open at 7:30 weekdays and 5:30 on weekends.
- The Golf Course will open at 8:00 weekdays and approx. 6:30 weekends.
- The Driving Range open daily till 7:00.

3-Day Member-Guest this month

- Course closed to play on July 10, 11 and until the afternoon of July 12.

- Menu of dinner selections will now change monthly.
- See the current month's menu online under "Dining"
- **Sirloin steaks** are always available whether they appear on the menu or not
- **Have a special item you'd like for dinner?** Craving a lobster? Call the club and Chef Audrey will do everything to accommodate you.

Think of ERCC First

Planning an event? Holding a wedding?

- Dinners, brunches, family parties, showers and meetings: they can all be held at ERCC.
- Consider the exceptional banquet facilities at Ellington Ridge for your function.
- Full details, menus and price information are online.
- Contact Club Manager Nancy Chambers with your questions and for further information.

Golf Shop Operating Hours Information

In an effort to control costs and to deal with a decrease in budgeted labor, the Golf Shop will:

- Close The Golf Shop "Sales Room" earlier each day throughout the season, but the "Bag Room" will continue to remain open (weather permitting) to service the members as they exit the course.
- Close the Golf Shop Sales Room and Bag Room during periods of inclement weather. When inclement weather threatens members are encouraged to contact the Golf Shop for closing information.
